

WeChat: How to Pay

2 Ways to Pay in China

[Scan QR Code](#) | [Show Your QR Code](#)

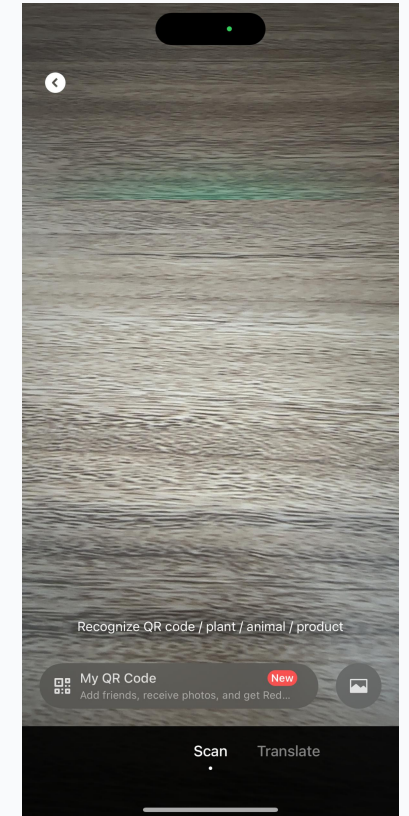

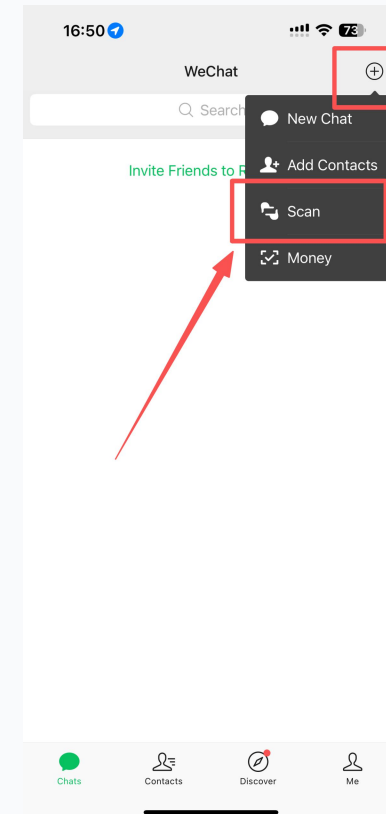

1

Scan Merchant QR Code

- 1 Open WeChat app
- 2 Tap the "+" button (top right) -> "Scan"
- 3 Point your camera at the merchant's QR code
- 4 Enter the amount shown on the cashier screen
- 5 Enter your payment password to confirm

WHEN TO USE THIS

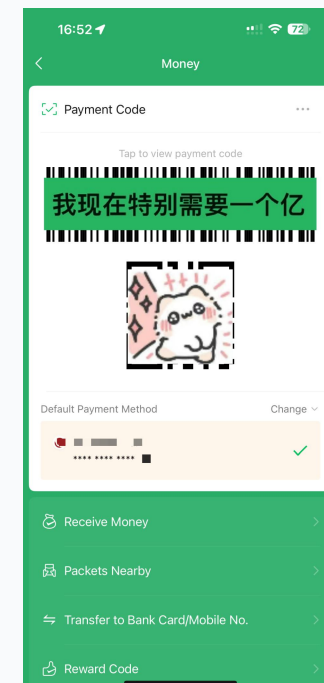

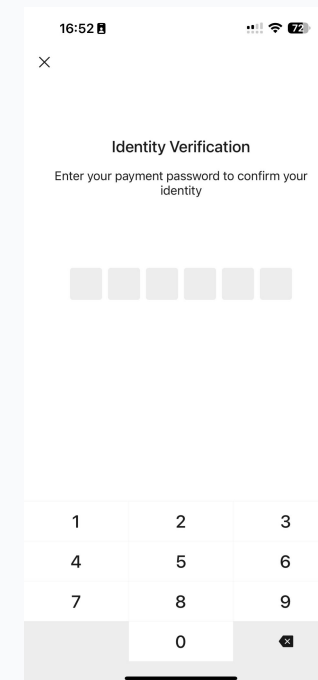

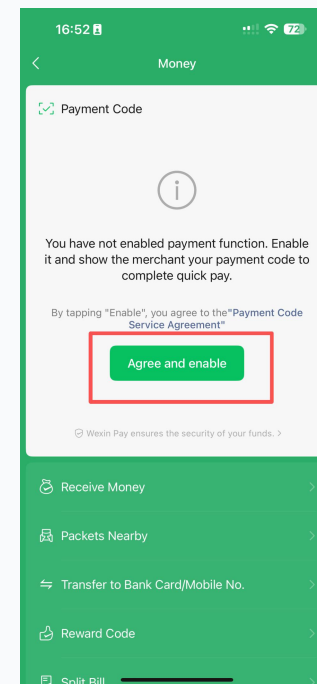

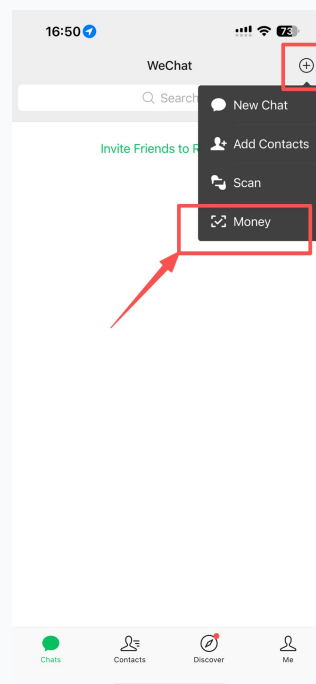

Use this when the merchant shows YOU a QR code
(small shops, street vendors, taxis)

2

Show Your QR Code

- 1 Open WeChat app
- 2 Tap the "+" button (top right) -> "Money"
- 3 Agree if you use for first time and enter your cards password
- 4 Show your phone screen to the cashier
- 5 The cashier scans it — payment done!

WHEN TO USE THIS

Use this at supermarkets, restaurants, and big stores where the cashier has a scanner

SAFETY TIP

Only use this for making payments to merchants. Do not send this code to other people.

Useful Chinese Phrases

Point to your phone and say these — locals will understand!

你好

Ni hao

Hello

Quick Reference Card

You Scan Merchant

Merchant shows QR -> You scan

1. Tap "+" -> "Scan"
2. Point camera at QR
3. Enter amount
4. Enter password

Best for: Small shops, taxis, street food

Merchant Scans You

You show QR -> Merchant scans

1. Me -> Services -> Money
2. Show QR to cashier
3. Cashier scans it
4. Done!

Best for: Supermarkets, restaurants

SAFETY TIP

Never show your payment code to strangers. The QR code refreshes every minute for security.
